

BMG Gold BullionFund

Class G1 - US Dollars

BMG Gold BullionFund is an open-end mutual fund trust that invests in uncompromised gold bullion.

Fund Objective

BMG Gold BullionFund's objective is to provide a secure, convenient, low-cost, medium-risk alternative for investors seeking bullion for capital preservation, capital appreciation, portfolio diversification and portfolio hedging.

Fund Strategy

BMG Gold BullionFund is an open-end mutual fund trust that invests in uncompromised gold bullion with allocated and insured storage. No derivatives, futures contracts, options or certificates are used, and BMG Gold BullionFund does not rebalance its holdings or attempt to time the market.

Liquidity

Bullion is bought directly from or sold directly into the global bullion markets. Purchases or redemptions of any size can be accommodated without affecting Net Asset Value. As a result BMG Gold BullionFund has the same liquidity as gold bullion itself. In contrast, the liquidity of closed-end funds and ETFs are dependent on the number of shares that are traded.

No Counterparty Risk

BMG Gold BullionFund owns the bullion outright, with no dependency on third parties and no possibility of third-party claims.

Independent of Portfolio Management Skills

BMG Gold BullionFund has a fixed investment policy that cannot be varied without unitholder approval. Risk is avoided since BMG Gold BullionFund does not hedge, market time, leverage or rebalance holdings. As a result, performance tracks the price of bullion and is not dependent on the trading skills of a portfolio manager.

Tax Efficient

No sales tax or withholding tax is applicable on bullion in Canada. All tax consequences on redemptions flow through to the redeeming unit holder. BMG Gold BullionFund is approved for all Canadian registered plans, including RRSPs, RRIFFs & TFSA's.

Unencumbered Bullion - BMG Gold BullionFund does not lease its holdings, and no derivatives, futures contracts or options are used.

Allocated Storage - BMG Gold BullionFund's bullion is stored on an allocated and insured basis under a custodial agreement with the Bank of Nova Scotia in their LBMA - member vault in Toronto.
